Costume Creation Package by Alagos Design

Alagos Design offers a costume creation package designed to bring the unique aesthetic of your performance to life. Our comprehensive service supports you from the initial concept to the final tailoring, ensuring that every detail is in perfect harmony.

Creation Process

1) Sketch Development

We start by creating detailed sketches of the silhouettes, capturing the essence and style you wish to convey.

2) Fabric Research

Choosing the right materials is crucial to ensure both comfort and visual appeal. We search for the fabrics that best suit your vision.

3) Creation of Mock-Ups

Before moving to the final garments, we create mock-ups (toiles) to adjust cuts and shapes.

4) Measurements

We take precise measurements of your performers to ensure a perfect fit. Costumes can be made to measure or semi-fitted, depending on your needs, to accommodate cast changes.

5) Costume Production

Finally, we craft the costumes with great attention to finishing touches and details.

6) Costume Delivery and Fitting Adjustments

>> We deliver your costumes in person to ensure they arrive in perfect condition.

This personalized approach allows us to ensure that every piece is exactly as you envisioned. After delivery, we stay on site for two to five days to conduct fittings and make necessary adjustments, so that each costume perfectly suits your staging and your performers' needs.

>> On-Site Modifications

During our stay, we work with your team to adjust or modify costumes in real time, considering stage dynamics and performer movements.

>> Alagos Design is committed to offering a full-service experience, guaranteeing optimal final results.

We strive to deliver costumes that meet your artistic expectations while ensuring exceptional quality and craftsmanship. Trust our expertise to elevate your show.

After-Sales Service

Our commitment doesn't end with delivery. We provide a comprehensive after-sales service, including alterations and repairs, to keep your costumes flawless over time.

The Mobile Workshop

To offer even more flexibility and responsiveness, Alagos Design provides a mobile workshop. Thanks to our specially equipped camper van, we can travel directly to your performance venues with all the necessary equipment for on-site repairs or adjustments.

Equipment & Operations

>> Sewing Machines: Our mobile workshop is fully equipped with professional sewing machines, ready to meet all your sewing needs on site.

>> Inclusive Service: We offer a retouching package that includes both the mobile workshop travel and the costumer's on-site services.

>> All-Inclusive Travel Package: This includes travel expenses of our mobile workshop to your venue.

>> Retouching Service: An experienced costumer will be at your disposal to perform all necessary alterations, ensuring your costumes are always up to standard.

Service Benefits

>> Material Maintenance Offer: When we create your costumes, we provide all fabrics and haberdashery needed for any alterations during a full year.

>> Responsiveness: Our presence on-site ensures maximum responsiveness to any request for modifications or repairs, so your costumes are always stage-ready.

Travel Conditions

To streamline our mobile workshop service, Alagos Design adopts a flexible and simplified approach, with no additional costs.

>> No Hotel Booking Required: Our team does not need hotel accommodations, reducing costs and simplifying logistics.

>> Autonomy & Discretion: Our team has access to all necessary amenities (water, sanitary facilities, etc.).

>> Parking Spot (off public roads) near the Costume Area: We only require a parking space near your facilities for our camper van, to ensure easy and quick access to our equipment.

>> Electric Connection: An electric hook-up is required to power our on-site equipment, keeping our mobile workshop fully operational and ready to serve your needs at any time.

With these conditions, Alagos Design is committed to delivering a personalized, high-quality, on-site service, ensuring your costumes are always show-ready without any logistical hassle.
